Footnotes:

1. Alaska and Yukon clubs became a new stand alone district (D5010) effective 1 July 1987 with Bob Snider as the first DG. The new district declined overtures from D503 to continue youth exchange as a joint venture.
2. Frank Nyman never served as Chair; however, he was instrumental in the development of the program in D501 and was very supportive financially and with personal effort. He was named Chairman Emeritus of the program.
